SCRAP METALS RECYCLER Florida

Annual Revenues: \$13,895,640

Annual Cash Flow: \$9,182,152

Asking Price: \$11,500,000

14 years of scrap metals recycling gives this Florida scrap metal processing business an impressive trading record with substantial goodwill. The Company operates within an industry estimated to approximate \$39.4bn in revenues.

The owner has managed to finance the company's growth entirely from cash flow.

The company purchases a variety of scrap metals from individuals and commercial accounts, sorting and processing the metals into specification grade commodities and resells materials as valuable feedstock material to industrial partners.

Due to health reasons the seller has decided to retire.

The motivation for a sale is both to generate liquidity for the company's shareholders as well as to better align the company with an organization that will enable it to reach the next level of success.
