=====

NURSING STAFFING SERVICES Midwest USA

Annual Revenues: \$9,556,334

Annual EBITDA: \$2,184,707

Asking Price: \$12,000,000

Fast-growing, highly profitable, Industry-leading healthcare nurse staffing company, specializing in placing professionals by way of PRN facility staffing, travel and local contracts, and homecare management for the elderly and catastrophically injured nationwide is for sale exclusively by Unity Acquisitions, LLC.

The company has enjoyed tremendous growth in 2020 and expects this to continue as the country is experiencing a serious shortage of nurses to deal with COVID-19 and other health needs.

The company staffs nationwide; however, they only have offices and staff in one state. It is not necessary to relocate or add more offices but could easily do so. A strategic buyer who has synergy, such as nurse or physician practice management companies, could benefit, and cross-selling should open new markets for each business. Other staffing organizations could easily add clients and by elimination of redundant overhead and support, should increase the profit margins of the acquired business.

Financial buyers should see this as an excellent platform business for further growth into this very active market.
