The facilities are maintained to the highest level, and the property has been prepared for expansion. There are industrial power switches and water storage already in place that would support additional indoor or outdoor production. The owners focused considerable resources on the development of genetics which has led to the creation of a strong brand. Also, there are multiple proprietary strains registered with the USDA. The real estate is naturally included in this deal, giving the next owner flexibility to develop the company further as they see fit.
