---

**This company is a multi-discipline professional practice providing Civil, Environmental, Surveying, Land Planning and Interior Design services.**

**The Company has built a quality reputation as the leading local "one stop shop" for development projects occurring in the rapidly growing area. Virtually all work is done "in house" with a talented staff of over 25 employees: professional engineers, surveyors, biologists, environmental scientists, certified planners, engineering interns, survey technicians, CAD technicians, project coordinators and other management and clerical staff.**

**The Company was established as a Subchapter S corporation in 2003, bringing together over 100 years of collective experience and a great diversity of client connections within the local municipalities, governments and private sector.**

**The Company has over 11,000 local industry contacts in its database and benefits from continuing service contracts with most local municipalities. The Company has completed over 4900 projects since inception**
