Annual Revenues: \$70,000,000
Annual Cash Flow: \$4,200,000
Asking: TBD

This company is a one of the largest privately held manufacturers of Pre-Engineered metal buildings and Structural Steel buildings in the industry today.

This well-established, profitable company is the leading manufacturer for metal buildings, steel buildings, pre-engineered buildings, hybrid buildings, structural steel, and metal building components including metal roof and wall panels, accessories, trim and componentized metal buildings. **Company has over 400,000 square feet of manufacturing space and have produced over ONE BILLION square feet of buildings within 48 states within the US.**

Even though the company has now gone global, it remains the same manufacturing company that first opened its doors 23 years ago. This is due to maintaining their strict manufacturing standards and uncompromising quality controls.

They feature their own manufacturing plant and in-house engineering department. This allows the company to design and fabricate custom steel buildings as well as pre-engineered units. They promise high-quality service, knowledgeable sales and customer support, advanced engineering services, and top-notch manufacturing.

The company's engineering roots show in its ability to handle detailed, complex projects as well as it does out-of-the-box steel building solutions. They are known for dedication, hard work, and consistently turning out high-quality products.

Extremely strong executive team and superior field personnel.
