A fully comprehensive and innovative multi-location urgent care business within the State of Florida. A first location was established almost a decade ago.

Without question, the company's success in delivering innovative, high quality, comprehensive, and accessible healthcare solutions have made this listing a uniquely acquisition opportunity within their targeted markets.

- **Communities serviced continue to flourish with additional growth of high-end residential developments within the Company's geographic coverages.**
- **Local communities have come to depend on these strategically placed locations to provide everything from basic healthcare to emergency services, the company's financial position has remained strong.**

All locations provide the gamut of urgent care services, including occupational health, advanced imaging (x-ray, ultrasound, and CT/CTA, with MRI coming in early 2023), laboratory testing, infusion/hydration, and medical exams.

In addition to MRI services, Primary Care offerings are also scheduled to be launched in the first half of 2023. The company's strong brand name recognition and reputation for excellence sets it apart as the go-to medical provider in the area.

The owner would be open to staying on in some capacity if desired by the buyer, whether that be as a brand ambassador or consultant. The CFO is equally open to remaining with the company should that be the preference of the buyer.
