The Company's long operational history began processing sand and gravel into various aggregates for use in architectural, landscape, and construction applications.

The Company followed aggregates with organic products consisting of mulch, compost and topsoil which led to a custom soils division licensed to produce specialty soil products like CU Soil™, Dura Edge™, Organic Lock™, FiberSoils™, etc.

Additionally, the Company operates as a retail establishment selling hardscape products including pavers, stone, brick, stone walls, patios, outdoor living accessories and nursery products.

The Company is licensed for producers such as Unilock™, Cambridge™, and VersaLok™ etc.

The Company serves a broad range of customers, primarily in the northeast United States with the majority located in Hartford County. The Company has developed strong, long-term relationships with its clients, having served its largest client for over 67 years.

Additionally, management estimates the Company has approximately 7,000 active recurring customers that generate approximately 90% of revenue.
